

Petrol Price Drop and Awareness of Petrol Taxes

Report

2 August 2019

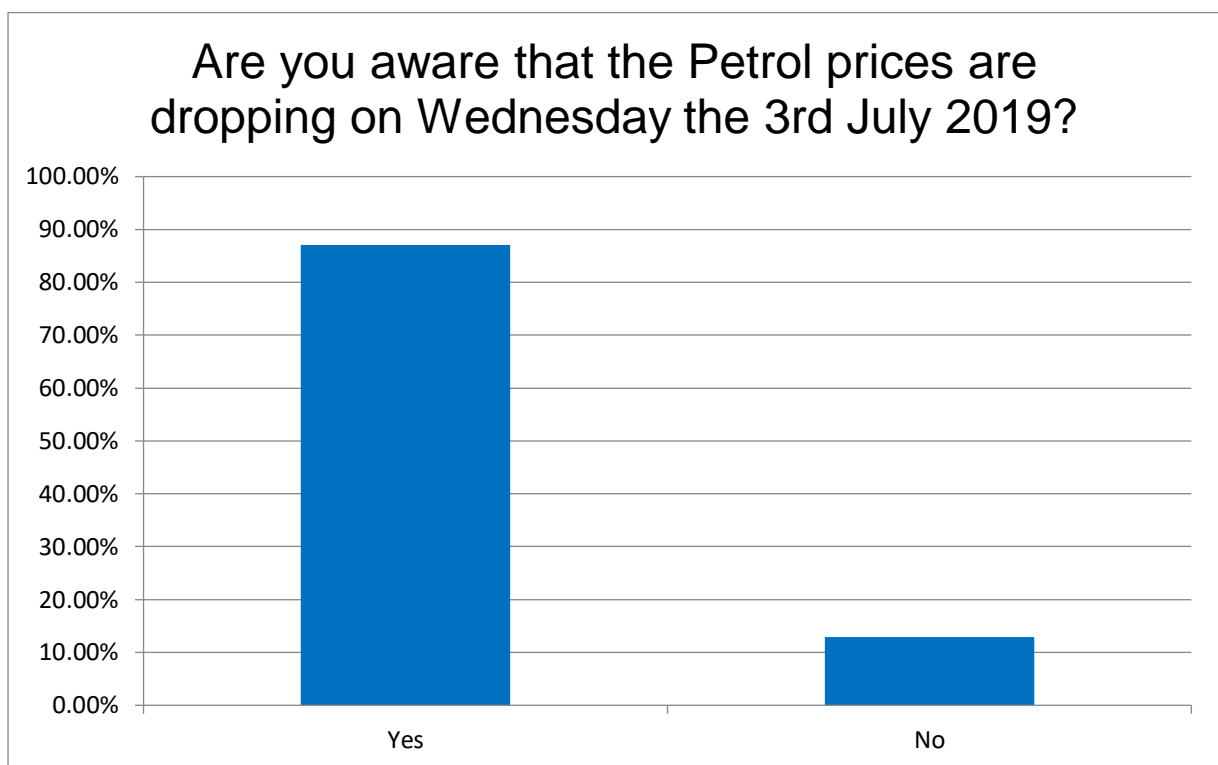

AA Research

1. Overview of the report

The current report highlights the insights from the AA monthly survey, Petrol price drop and awareness of petrol taxes. The results illustrate the respondents' attitude, knowledge and opinions regarding the significance of the petrol price drop regarding whether participants think the price drop will last and if it will alleviate the burden of the high petrol fees in South Africa.

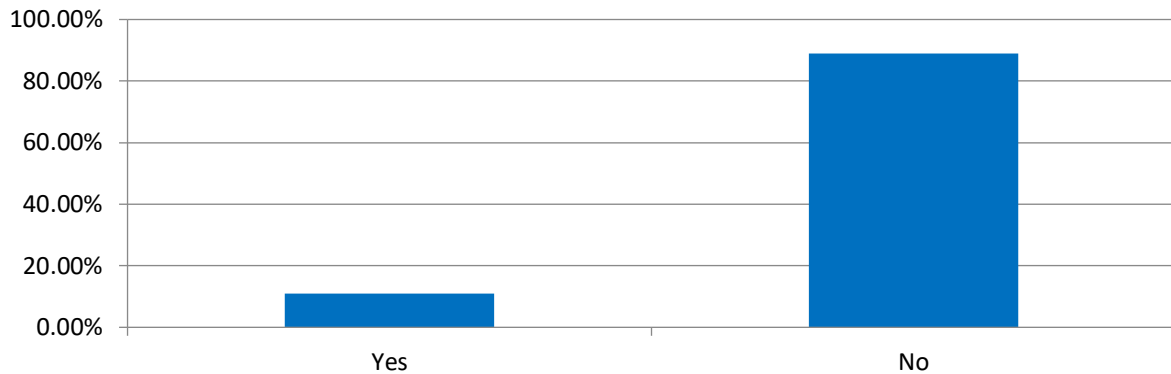

2. Results

Sample 411

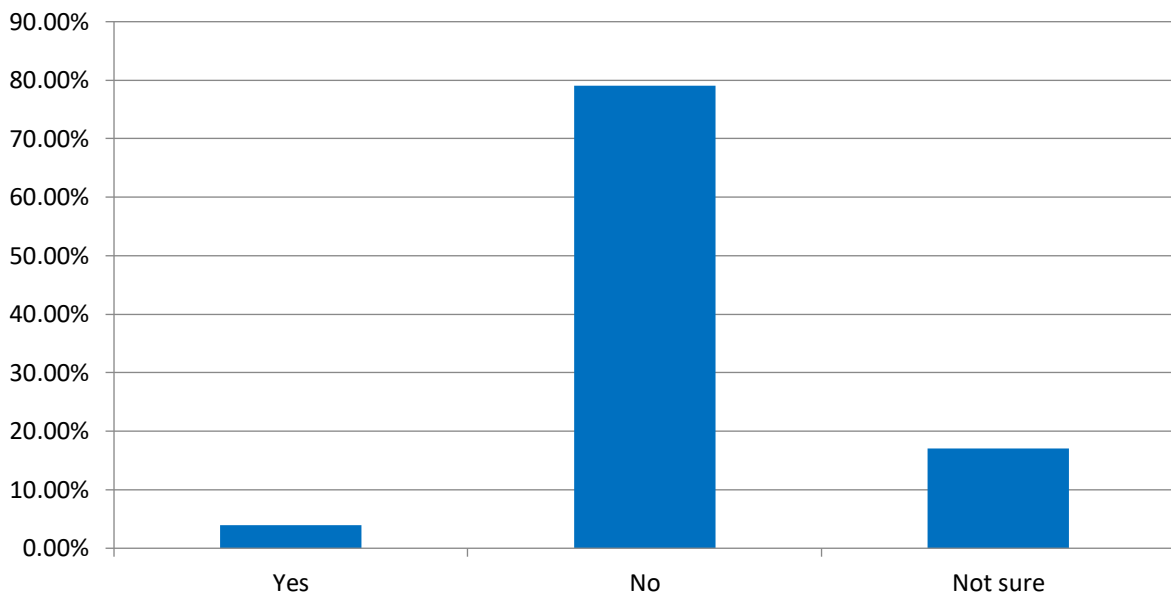

Do you think that the expected drop of 86 cents per litre on 93 Unleaded and 95 Unleaded, 68 cents per litre on Diesel and 58 cents per litre on Paraffin are significant enough to alleviate the burden of high petrol fees on South African motorists?

Sample 411

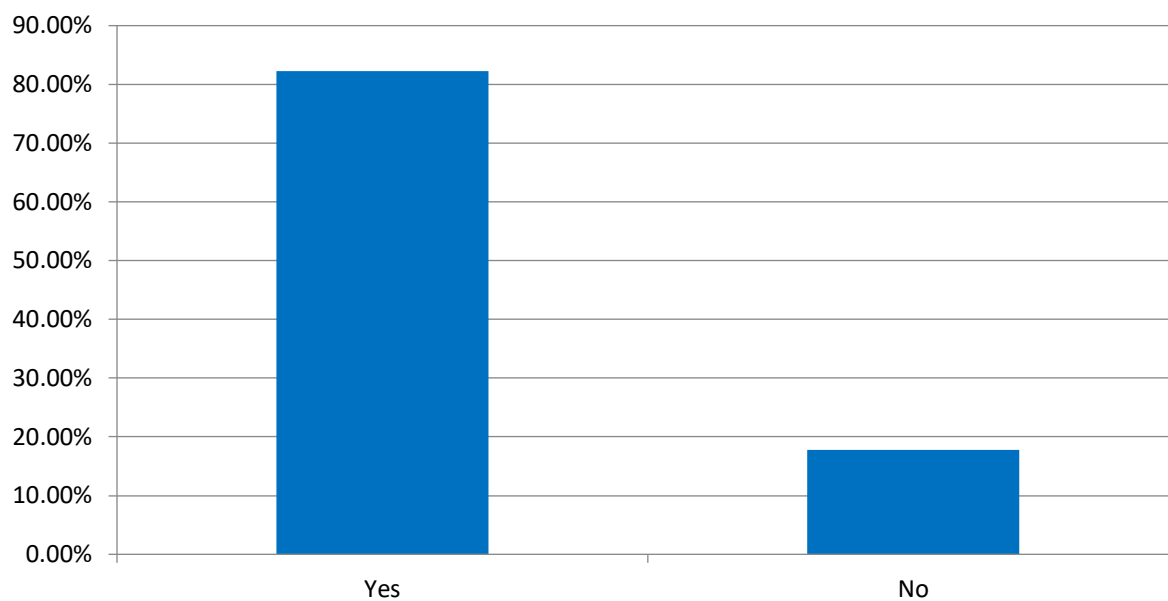

Do you think that this drop in petrol fees will last any longer?

Sample 410

Are you aware of the taxes imposed on the Petrol Fee?

Sample 406

End.
Thank you.
